## PLANS ARE DESIGNED WITH THE FOLLOWING ENERGY SAVING FEATURES:

(1) Homes are designed with many of the features mentioned in "The Arkansas Story", published by Owens-Corning Fiberglas Corporation. Plans are also designed to meet F.H.A. & V.A. requirements. (2) Homes are designed to have a maximum heat loss of 16 BTUH per square foot of heated area, based on a 15 degree outside design temperature and a 55 degree temperature difference. (3) 6" exterior walls with 6" (R-19) insulation. (4) 12" (R-38) insulation in attic. (5) Insulated windows. (6) Insulated exterior doors. (7) High pitched roof with a power attic ventilator. (8) Exterior vent to fireplace for combustion air. (9) Positive vapor barrier system on ceilings and exterior walls. (10) Perimeter foundation insulation where feasible. (11) Duct work located inside the conditioned area where feasible. (12) Heating and cooling requirements furnished by an electric heat pump. (13) Water saving plumbing fixtures.

## PLANS INCLUDE:

Each set of plans contain the following (1) Foundation plan for concrete slab construction. An alternate crawl space foundation is also available. (see order form below) (2) Floor plan with location of all electrical layouts. (3) Four elevations. (4) Cabinet details and elevations. (5) All necessary details and sections. (6) Specifications, which include necessary information required to obtain accurate construction cost, as well as a finish schedule, describing the finish of each room of dwelling.

Heat and air conditioning charts are not included. These should be obtained from a local mechanical contractor familiar with energy saving construction to insure that equipment will be properly sized for your climate conditions.

## MODIFICATIONS CAN BE MADE:

Limited changes can be made in working drawings. When changes are requested, please call our Jackson, Mississippi office at (601) 982-7521 for further information.

## TO ORDER WORKING DRAWINGS:

Working drawings for building any of the homes shown in this book are available direct to you by filling in the order form below. Orders are processed within 24 hours after order is received.

All plans are shipped by United Parcel Service. A \$2.00 charge is included in the order form to cover the shipping and handling cost. Plans may be mailed or bussed if requested. Additional charges, if shipped by bus, will be sent collect.

## PRICE SCHEDULE:

5 sets of plans (minimum order) .....\$100.00  
 Additional set of plans (must be ordered with original order) .....\$10.00  
 5 each of alternate crawl space foundation (minimum order) .....\$25.00  
 Each additional alternate crawl space foundation .....\$2.00  
 Prices effective through December 31, 1978
